

# Curriculum Vitae

Taichi TANIGUCHI

December 2018

## 1 Introduction myself

I am Taichi Taichi TANIGUCHI.

I am Bachelor third Studnt, Mathematical Department, School Science and Engineering in risumeikan university I study mathematics in Univ, and machine learning myself.

Those are record which I learned.

- homepage
- blog
- github

## 2 Work

My parttime job is DataScience.

## 3 Research

- Analytical gene of Rice by t-SNE
- theory of machine learning

## 4 Education

- B.S Mathematical Department. School Science and Engineering in rit-sumeikan.

## 5 Skill and Learning

### 5.1 Programing

- Python: I can implement Machine Learning from zero.
- MySQL: I am using MySQL in Parttime job.
- R:

### 5.2 Mathematics

- Statics, Probability, Measure Theory
- Optimal Transport
- and so on...

### 5.3 Machine Learning

- kernel SVM
- Logistic Regression
- Reinforcement Learning
- Deep Learning
- t-SNE
- and so on...

## 6 Wish List

I want to buy Mathematics and Machine Learning book, but it is very expensive. Even if I want to study Mathematics and Machine Learning for theory of its, I can not buy because of its price. This is memo to buy sometimes.

- Mathematics List
- Machine Learning List

## 7 Caontact
